The Honorable Board of Supervisors  
County of Los Angeles

500 West Temple Street  
Los Angeles, CA 90012

Dear Supervisors:

**AS-NEEDED TRAFFIC PAINT REMOVAL SERVICES  
ALL SUPERVISORIAL DISTRICTS  
3 VOTES**

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Find that this work is exempt from the provisions of the California Environmental Quality Act (CEQA).
2. Award and delegate authority to the Director of Public Works to execute the contract for "As-Needed Traffic Paint Removal Services" to Sterndahl Enterprises, Inc., located in Sun Valley, California. This contract will be for a period of one year, commencing upon Board approval, with two 1-year renewal options, not to exceed a total of three years.
3. Delegate authority to the Director of Public Works to renew this contract for each additional renewal option, if, in the opinion of the Director, renewal is warranted.
4. Delegate authority to the Director of Public Works to terminate this contract, if, in the opinion of the Director, it is in the best interest of the County to do so.

5. Authorize the contractor to proceed with the work in accordance with the contract's specifications, terms, conditions, and requirements.
6. Authorize Public Works to encumber an annual amount not to exceed \$38,250. This amount is based on the quoted unit prices to perform the as-needed work. Funds are available in various Public Works 2004-05 budget units.

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

This contract is for as-needed traffic paint removal at various locations within the County, which are split up into two areas, Area I – South County and Area II – North County. Public Works removes approximately 75,000 linear feet of paint and thermoplastic from both areas each year. This service is required on an as-needed and intermittent basis to meet peak workloads. Public Works has contracted for this service since 1998. The purpose of this action is to continue contracting for this service.

### **Implementation of Strategic Plan Goals**

The award of this contract is consistent with the County Strategic Plan Goals of Service Excellence and Organizational Effectiveness, as the contractor has the specialized expertise to provide this service accurately, efficiently, timely, and in a responsive manner.

### **FISCAL IMPACT/FINANCING**

This contract is for an annual amount not to exceed \$38,250. This amount is based on the annual price estimated by the County to perform this service. This contract will commence upon Board approval for a period of one year. With the Board's delegated authority, the Director may renew this contract for a total contract period not to exceed three years. In any event, this contract may be canceled or terminated at any time by the County, without cause, upon giving at least 30 days' written notice to the contractor.

Funds are available in various Public Works 2004-05 budget units to cover the cost of this contract's first term.

There will be no impact on net County cost.

This contract allows a cost-of-living adjustment for the additional optional years in accordance with County policy established by the Chief Administrative Office.

## **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

Prior to the Director executing this contract, which is substantially reflected in Enclosure A, the contractor will sign and County Counsel will review it as to form.

Public Works has evaluated and determined that the Living Wage Program (Los Angeles County Code Chapter 2.201) does not apply to this recommended contract as this service is required on an as-needed and intermittent basis.

## **ENVIRONMENTAL DOCUMENTATION**

With respect to requirements of the CEQA, the type of services to be provided are categorically exempt as specified in Appendix G - Class 1 (X19) of the Environmental Document Reporting Procedures and Guidelines adopted by your Board on November 17, 1987, Synopsis 57.

## **CONTRACTING PROCESS**

On June 10, 2004, Public Works solicited proposals from 87 independent contractors and community business enterprises to accomplish this work. Also, a notice of proposal availability was placed on the County's bid website (Enclosure B) and an advertisement was placed in the Los Angeles Times.

On July 12, 2004, one proposal was received. The proposal was first reviewed to ensure it met the mandatory requirements outlined in the Request for Proposals (RFP). The proposal, having met these requirements, was then evaluated by an evaluation committee consisting of Public Works staff.

The committee's evaluation was based on criteria described in the RFP which included price and references. Based on this evaluation, it is recommended that this contract be awarded to the most responsive and responsible proposer, Sterndahl Enterprises, Inc., located in Sun Valley, California.

Enclosure C reflects the proposer's minority participation. The contractor was selected upon final analysis and consideration without regard to race, creed, gender, or color.

This contract contains Board-approved contract terms and conditions regarding current and new employee notification of the Federal-earned income tax credit, agreement to maximize to the extent possible the use of recycled-content paper products, contractor responsibility and debarment, jury service requirements, no payment for services received after contract expiration or termination, and the Safely Surrendered Baby Law.

The Honorable Board of Supervisors  
August 19, 2004  
Page 4

Proof of the required Comprehensive General and Automobile Liability insurance policies, naming the County as additional insured, and evidence of Workers' Compensation insurance will be obtained from the contractor before any work is assigned.

As requested by your Board, the contractor has submitted a safety record which, in our opinion, reflects that activities conducted by the contractor in the past have been according to reasonable standards of safety.

In accordance with the Chief Administrative Officer's June 15, 2001, instructions, this is Public Works' assurance that this contractor will not be requested to perform services which will exceed the contract's approved amount, scope of work, and/or terms.

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

The award of this contract will not result in the displacement of any County employees, as this service is presently contracted with the private sector.

**CONCLUSION**

One approved copy of this letter is requested.

Respectfully submitted,

DONALD L. WOLFE  
Interim Director of Public Works

**SCOPE OF WORK**

A. Public Works' Contract Manager

Public Works' Contract Manager will be Ed Morris of Operational Services Division and can be contacted at (626) 458-1615, Monday through Thursday, 7 a.m. to 5:30 p.m. The Contract Manager is Public Works' only employee authorized to request work of the Contractor. From time to time, Public Works may change Contract Managers. The Contractor shall be notified in writing when there is a change in Contract Managers.

B. Work Location

Various locations within the County which are split into two areas, Area I-South County (Los Angeles basin and the lower valleys) and Area II-North County (Antelope and Santa Clarita Valleys), as indicated on Exhibit E.

C. Work Description

The work to be done under this Contract will be the as-needed removal of traffic striping and pavement markings by either grinding or wet sandblasting at various locations within the County. The required work will be at the direction and to the satisfaction of the Contract Manager. The work shall include complete and daily cleanup service of sand and debris occasioned by the line removal by the Contractor.

As an approximation, during one 12-month period, roughly 25,000 linear feet of paint and 500 linear feet of thermoplastic were removed from Area I, and 50,000 linear feet of paint and 1,000 linear feet of thermoplastic were removed from Area II. The preceding is only an approximation and shall not be construed as the actual footage to be removed. However, the figures may serve as a formula for proposal evaluation. Exhibit F indicates the stipulated computed linear feet of 4-inch line for each type pavement marking.

Occasionally, Public Works may request the Contractor to perform jobs that result in the removal of a small quantity of paint. Public Works recognizes that travel, setup, and cleanup times may cause a hardship on the Contractor unless a minimum square foot of paint is removed. Therefore, the Contractor may establish a minimum charge per job (see Form PW-2 - Schedule of Prices) for both Areas I and II.

The number of nozzles operating simultaneously from any compressor shall be limited by the compressor capacity as follows:

250 to 350 CFM - 1 nozzle only

350 to 600 CFM - 2 nozzles maximum

This service shall include labor, supervision, fully maintained and properly operating equipment, traffic protection (complete with cones, dust shields, and signs per Exhibit G), and all appurtenances necessary to provide the service. Any lane closures and temporary detouring of traffic shall follow the provisions of the WATCH Manual (latest edition).

When Public Works requires service, the Contractor will be given a minimum notice of three calendar days.

The Contractor shall notify the Public Works at (626) 458-1700, at least four hours before the completion of each work assignment in order for Public Works' forces to immediately remark ground or sandblasted striping to prevent potential traffic hazards. Failure to provide notification within the prescribed time frame may result in the cancellation of this Contract.

The Contractor shall be required to maintain records of work activities conducted under the provisions of this Contract. In the event of claims or litigation involving the County or other disputes, the Contractor shall provide and explain those records to County representatives. At a minimum, the records shall include time and days of work operation, personnel involved, and detailed information regarding the location of work. The Contractor is also encouraged to keep records reflecting the work zone measures employed for each work location.

D. Hours and Days of Maintenance Service

Hours of service shall be primarily 7 a.m. to 3 p.m., Monday through Friday each week, except legal holidays at which time the service shall be done before or after such holiday. Work hours may be altered when necessary without the approval of the Contract Manager.

E. Special Safety Requirements

As a safety measure and to minimize dust problems, when sandblasting is used, moisture shall be introduced into the sand at the blast nozzle. The dampened sand and debris shall be cleaned up before drying and becoming a hazard.

The Contractor shall conform to South Coast Air Quality Management District (SCAQMD) regulations and rules relative to emission of particulate matter and to all Cal-OSHA rules.

The Contractor shall furnish appropriate traffic protection cones, dust shields, and signs as indicated in Exhibit C and the WATCH Manual (latest edition).

F. Removal of Debris

The Contractor shall be responsible for the proper cleanup and removal of all debris generated through this service. Debris disposal shall be at the Contractor's expense.

The Contractor shall not allow any debris from its operations under this Contract to be deposited in the storm drains and/or gutters in violation of the National Pollutant Discharge Elimination System (NPDES) permit.

G. Responsibilities of Contractor

The Contractor shall:

1. Furnish all labor, supervision, equipment, and materials to accomplish the required services.
2. Comply with all safety rules, SCAQMD, and Cal-OSHA regulations.
3. Minimize dust problems created from the service and cleanup work areas.
4. Notify Public Works at least four hours before the completion of each assignment.
5. Maintain work records.

H. Responsibilities of Public Works

Public Works will:

1. Furnish locations for the required services.
2. Determine the need for and provide jobsite inspection.

I. Project Safety Official

The Contractor shall designate in writing a Project Safety Official who shall be thoroughly familiar with the Contractor's Injury and Illness Prevention Program and Code of Safe Practices. The Contractor's Project Safety Official shall be available at all times to abate any potential safety hazard and shall have the authority and

responsibility to shut down an operation if necessary.

Failure by the Contractor to provide the required Project Safety Official shall be grounds for the County to direct the cessation of all work activities and operations at no cost to the County until such time as the contractor is in compliance.

Q. Liquidated Damages

1. In any case of the Contractor's failure to meet certain specified performance requirements, the County may, in lieu of other remedies provided by law or the Contract, assess liquidated damages in specified sums and deduct them from any regularly scheduled payment to the Contractor. However, neither the provision of a sum of liquidated damages for nonperformance or untimely or inadequate performance nor the County's acceptance of liquidated damages shall be construed to waive the County's right to reimbursement for damage to its property or indemnification against third-party claims.
2. The amounts of liquidated damages have been set in recognition of the following circumstances existing at the time of the formation of the Contract:
  - All the time limits and acts required to be done by both parties are of the essence of the Contract;
  - The parties are both experienced in performance of the Contract work;
  - The Contract contains a reasonable statement of the work to be performed in order that the expectations of the parties to the Contract are realized. The expectation of the County is that the work will be performed with due care in a

workmanlike, competent, timely, and cost-efficient manner, while the expectation of the Contractor is a realization of a profit through the ability to perform the Contract work in accordance with the terms and conditions of the Contract at the Proposal price;

- The parties are not under any compulsion to contract;
  - The Contractor's acceptance of the assessment of liquidated damages against it for unsatisfactory and late performance is by agreement and willingness to be bound as part of the consideration being offered to the County for the award of the Contract;
  - It would be difficult for the County to prove the loss resulting from nonperformance or untimely, negligent, or inadequate performance of the work; and
  - The liquidated sums specified represent a fair approximation of the damages incurred by the County resulting from the Contractor's failure to meet the performance standard as to each item for which an amount of liquidated damages is specified.
3. The Contractor shall pay Public Works, or Public Works may withhold from monies due the Contractor, liquidated damages in the sum of \$100 for each consecutive calendar day that the Contractor fails to complete work within the time specified unless otherwise provided in this Contract.

SECTION 3

STANDARD TERMS AND CONDITIONS PERTAINING TO CONTRACT  
ADMINISTRATION

A. Limitation of the County's Obligation Due to  
Non-appropriation of Funds

1. The County's obligation is payable only and solely from funds appropriated for the purpose of this Contract.
2. All funds for payments after June 30 of the current fiscal year are subject to the County's legislative appropriation for this purpose. Payments during subsequent fiscal periods are dependent upon the same action.
3. In the event this Contract extends into succeeding fiscal year periods, and if the governing body appropriating the funds does not allocate sufficient funds for the next succeeding fiscal year's payments, then the affected equipment and/or work shall be terminated as of June 30 of the then current fiscal year. The County shall notify the Contractor in writing of such nonallocation at the earliest possible date.

B. Gratuitous Work

The Contractor agrees that should work be performed outside the scope of work indicated and without Public Works' prior written approval in accordance with Section 3.U, Changes and Amendments of Terms, such work shall be deemed to be a gratuitous effort by the Contractor, and the Contractor shall have no claim, therefore, against the County.

C. No Payment for Services Following Expiration or Termination  
of Contract

The Contractor shall have no claim against the County for payment of any money or reimbursement of any kind whatsoever for any service provided by the Contractor after the expiration or other termination of this Contract. Should the Contractor receive any such payment it shall immediately notify the County and shall immediately repay all such funds to the County. Payment by the County for services rendered after expiration or other termination of this Contract shall not constitute a waiver of the County's right to recover such payment from the Contractor. This provision shall survive the expiration or other termination of this Contract.

D. Nondiscrimination in Employment

1. The Contractor shall ensure that qualified applicants are employed, and that employees are treated during employment without regard to their race, color, religion, ancestry, national origin, age, condition of physical or mental disability, marital status, political affiliation, sexual orientation, or gender. Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection of training, including apprenticeship.
2. The Contractor shall deal with its subcontractors, bidders, or vendors without regard to, or because of, race, color, religion, ancestry, national origin, age, condition of physical or mental disability, marital status, political affiliation, sexual orientation, or gender.
3. The Contractor shall allow the County representative access to its employment records during regular business hours to verify compliance with the provisions of this section when so requested by the County.
4. If the County finds that any of the above provisions have been violated, the same shall constitute a material breach of contract upon which the County may determine to cancel, terminate, or suspend this Contract. While the County reserves the right to determine independently that the antidiscrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated State or Federal antidiscrimination laws or regulations shall constitute a finding by the County that the Contractor has violated the antidiscrimination provisions of this Contract.
5. The parties agree that in the event the Contractor violates the antidiscrimination provisions of this Contract, the County shall, at its option, be entitled to a sum of \$500 pursuant to California Civil Code Section 1671 as liquidated damages in lieu of canceling, terminating, or suspending this Contract.

E. Assignment

1. The Contractor may not delegate its duties or assign its rights under this Contract, either in whole or in part, without the prior written consent of the

Director. Any prohibited delegation of duties or assignment of rights under this Contract shall be null and void and shall constitute a breach for which the Contract may be terminated. Any payments to any assignee of any claim under this Contract in consequence of such consent shall be subject to set-off, recoupment, or other reduction for any claim which the County may have.

2. Any delegation of duties or assignment of rights, including but not limited to a merger, acquisition, asset sale and the like, shall be in the form of a subcontract or formal assignment, as applicable. The Contractor's request to the Director for approval of an assignment shall include all applicable information that must be submitted with a request by the Contractor to the County for approval of a subcontract of the Contract work.

F. Subcontracting

1. No performance of this Contract or any portion thereof may be subcontracted by the Contractor without the express written consent of the County. Any attempt by the Contractor to subcontract any performance of the terms of this Contract without the express written consent of the County shall be null and void and shall constitute a breach of the terms of this Contract. In the event of such a breach, this Contract may be terminated forthwith.
2. In the event the County should consent to subcontracting, each and all of the provisions of this Contract and any amendment thereto shall extend to and be binding upon and inure to the benefit of the successors or administrators of the respective parties.
3. In the event the County should consent to subcontracting, the Contractor shall include in all subcontracts the following provision: "This Agreement is a subcontract under the terms of a prime contract with the County of Los Angeles. All representations and warranties shall inure to the benefit of the County of Los Angeles."
4. Any third party delegate(s) appointed by the Contractor shall be specified in writing to the Director for advance concurrence.
5. No subcontractor shall be recognized or dealt with by the Board or any of the persons chargeable with the enforcement of this Contract. The Contractor shall, at all times, be personally responsible for the performance of this Contract.

G. Contractor's Warranty of Adherence to County's Child Support Compliance Program

The Contractor acknowledges that the County has established a goal of ensuring that all individuals who benefit financially from the County through contract are in compliance with their court-ordered child, family, and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

As required by the County's Child Support Compliance Program (County Code Chapter 2.200), and without limiting the Contractor's duty under this contract to comply with all applicable provisions of law, The Contractor warrants that it is now in compliance and shall during the term of this contract maintain compliance with the employment and wage reporting requirements of the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family, or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

H. Assurance of Compliance with Civil Rights Laws

The Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000e through 2000e(17), to the end that no person shall, on the grounds of race, creed, color, gender, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract.

I. Compliance with Laws

1. The Contractor agrees to comply with all applicable Federal, State, and local laws, rules, regulations, or ordinances, and all provisions required thereby to be included herein are hereby incorporated by reference.
2. The Contractor agrees to indemnify and hold the County harmless from any loss, damage, or liability resulting from a violation on the part of the Contractor of such laws, rules, regulations, or ordinances.

J. Covenant Against Contingent Fees

1. The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.
2. For breach or violation of this warranty, the County shall have the right to terminate this Contract and, at its sole discretion, deduct from this Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

K. Governing Laws

This Contract shall be construed in accordance with and governed by the laws of the State of California.

L. Termination for Improper Consideration

1. - e. The rights and remedies of the County provided in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

- c. Failure of the Contractor to submit its termination claim and invoice within the time allowed, the County may determine, based on information available to the County, the amount, if any, due to the Contractor in respect to the termination, and such determination shall be final. After such determination is made, the County will pay the Contractor the amount so determined.

### Notice 1015

(Rev. December 2003)

## Have You Told Your Employees About the Earned Income Credit (EIC)?

---

### What Is the EIC?

The EIC is a refundable tax credit for certain workers.

**A change to note.** Workers **cannot** claim the EIC if their 2003 investment income (such as interest and dividends) is over \$2,600.

### Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on **Form W-4**, Employee's Withholding Allowance Certificate.

**Note:** *You are encouraged to notify each employee whose wages for 2003 are less than \$34,692 that he or she may be eligible for the EIC.*

### How and When Must I Notify My Employees?

You must give the employee one of the following:

- The **IRS Form W-2**, Wage and Tax Statement, which has the required information about the EIC on the back of **Copy B**.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- **Notice 797**, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 9, 2004.

You must hand the notice directly to the employee or send it by First-Class Mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice by calling 1-800-829-3676, or from the IRS website at [www.irs.gov](http://www.irs.gov).

### How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see the 2003 instructions for Form 1040, 1040A, 1040EZ, or **Pub. 596**, Earned Income Credit (EIC).

### How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2003 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2003 and owes no tax but is eligible for a credit of \$791, he or she must file a 2003 tax return to get the \$791 refund.

### How Do My Employees Get Advance EIC Payments?

Eligible employees who expect to have a qualifying child for 2004 can get part of the credit with their pay during the year by giving you a completed **Form W-5**, Earned Income Credit Advance Payment Certificate. You **must** include advance EIC payments with wages paid to these employees, but the payments are not wages and are not subject to payroll taxes. Generally, the payments are made from withheld income, social security, and Medicare taxes. For details, see **Circular E (Pub. 15)**, Employer's Tax Guide.

**What is the Safely Surrendered Baby Law?**

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

**How does it work?**

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

**What if a parent wants the baby back?**

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

**Can only a parent bring in the baby?**

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

**Does the parent have to call before bringing in the baby?**

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

**Does a parent have to tell anything to the people taking the baby?**

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

**What happens to the baby?**

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

**What happens to the parent?**

Once the parent(s) has safely turned over the baby, they are free to go.

**Why is California doing this?**

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

**A baby's story**

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

---

**Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.**

---

***It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.***

**¿Qué es la Ley de Entrega de Bebés Sin Peligro?**

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

**¿Cómo funciona?**

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre recibirá un brazalete igual.

**¿Qué pasa si el padre/madre desea recuperar a su bebé?**

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

**¿Sólo los padres podrán llevar al recién nacido?**

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

**¿Los padres deben llamar antes de llevar al bebé?**

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

**¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?**

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

**¿Qué ocurrirá con el bebé?**

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

**¿Qué pasará con el padre/madre?**

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

**¿Por qué California hace esto?**

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

**Historia de un bebé**

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

---

**Cada recién nacido merece una oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele qué otras opciones tiene.**

---

*Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.*
